EXPERIENCE

Project Manager

LIVE OPERATIONS

Zai Studios · ROBLOX Experiences

- Executive contributor responsible for management and oversight of high-traffic ROBLOX experiences with over **500 million combined visits**.
- Played a critical leadership and operational role across *Project Mugetsu* and *Stand Upright: Rebooted*, titles reaching **60,000** and **30,000** peak concurrent players respectively.
- Directed project management, analytics, gameplay-systems oversight, retention evaluation, and live-operations strategy.
- Coordinated planning across large-scale player ecosystems, engagement systems, and cross-functional production teams.

Media Specialist

BROADCAST · DIGITAL · RADIO

Crown Town Media · CPTV · The DOG Radio

- Host of *Beyond the Baseline* on The DOG Radio — producing original sports commentary and long-form discussion programming.
- Operated across media relations and content production for television, radio, and digital platforms.
- Contributed to live television production and appeared as color commentator on Bulldog Network sports broadcasts.
- Produced video editing, graphic design, photo retouching, and multimedia storytelling using Adobe Creative Suite and Microsoft Office.
